- SOIL Portlandian and kimmeridgian limestone.
- AVERAGE YIELD 40 hl/ha
- HARVEST Mechanical

### *Vinification & Ageing*

- FERMENTATION Traditional in stainless steel vats, temperature controlled with complete malolactic fermentation
- AGEING 8 à 10 mois en cuve inox

### *Description*

Robert Parker has said of Chablis Premier Cru "Fourchaume" that this is a Premier Cru many feel should be elevated to Grand Cru status. The wine has a striking power and elegance which is quite exceptional. This is gained from elevated southeastern facing slopes exposing the vineyard to a great deal of sunshine and slightly warmer temperatures than any other Premier Cru vineyard.

### *Wine tasting*

- TASTING NOTE Pale yellow in colour with green highlights, this Chablis 1er Cru « Fourchaume » 2012 reveals aromas of flint and nutmeg. On tasting it is ample and elegant with lovely length and a typical mineral finish.
- CELLARING POTENTIAL 5-7 years
- FOOD PAIRING Shellfish - fish - charcuterie.
- SERVING TEMPERATURE 12-14°
