Description

The Premier Cru vineyard of Les Chenevottes sits slightly higher up the slope compared to the unparalleled white Grand Cru Montrachet. These two vineyards have much in common sharing similar soil composition, exposure to the sun, orientation and flavour. Les Chenevottes wines are an outstanding example of what this village is capable of and of the unrelentingly high standards of selection and vinification practiced by Maison Louis Latour. Les Chenevottes is derived from the word cheneve meaning hemp in old French and indicates that this vineyard was once an old hemp field.

Wine tasting
