Description

The appellation of Montagny lies approximately 30 kilometres south of Beaune in the rolling folds and hills of the southern part of the Côte Chalonnaise. Montagny is a 100% white wine appellation originating solely from Chardonnay grapes and giving a fresh white wine that is an uncomplicated representation of its parent grape variety. The high quality of the vines is a direct consequence of their limestone bedrock and admirably oriented slopes. The vineyard of "La Grande Roche" is quite high up on the hillsides, catching plenty of sunshine which aids the great concentration of flavours in the grapes.
