Vinification & Ageing

- FERMENTATION Traditional in open vats
- AGEING 10 to 12 months ageing in oak barrels, 35% new
- BARRELS Louis Latour cooperage, french oak, medium toasted

Description

The village of Pommard is comfortably sandwiched between the town of Beaune and the village of Volnay. In contrast to the wines of its close neighbours, those of Pommard tend to be fuller, more tannic and expansive in the mouth, similar to those of the Côte de Nuits. This area was named "Epenots", coming from "épine" (thorn or prickle), as a result of the natural vegetation of the area which was bush-like and thorny. The "Epenots" is solid and firm in its youth and needs time to mature and mellow out before revealing its full glory.

Wine tasting

- TASTING NOTE In the glass this wine boasts a clean deep garnet sheen and reveals a strong bouquet of fruit, wood spice and liquorice aromas. On tasting we have low acidity and balanced tannins giving a wine of considerable structure. This is a rounded powerful wine with vanilla and oak flavours which should be put down for some years before enjoying at its prime. Tasted 20/01/05.
- CELLARING POTENTIAL 7-10 years
- FOOD PAIRING Duck confit - beef "Bourguignon" - mature cheeses
- SERVING TEMPERATURE 15-17°
