- SOIL Clay and limestone.
- AVERAGE YIELD 35 hl/ha
- HARVEST Hand picked

Vinification & Ageing

- FERMENTATION Traditional in open vats
- AGEING Stainless steel vats

Description

"Bellevue" is the pinnacle of excellence at Domaine de Valmoissine estate, made from a selection of our best parcels around the charming village of Moissac-Bellevue. The berries of Pinot Noir benefit from an exceptional sunshine, thanks to the sloping hillsides of this high perched village, overlooking the vineyards of the estate. Located not far from the old monastery of Valmoissine, 500 meters above sea level, our vineyards are meticulously conducted in sustainable agriculture. The complex clay-limestone ferruginous subsoil, combined with the altitude, the exposure and the Mediterranean air give a wine perfectly balanced and of great intensity.

Wine tasting

- TASTING NOTE Our Bellevue 2022 has a deep ruby colour with hints of red fruit and undergrowth. Its round palate reveals aromas of cherry and liquorice. A fresh finish.
- CELLARING POTENTIAL 5-7 years
- FOOD PAIRING Grilled red meat - cheese - red fruits
