### *Description*

This exquisite red wine comes from the parcel of Grands Echézeaux located between Vosne-Romanée to the north and Vougeot to the south in the Côte de Nuits area. Like Vougeot, Grands Echézeaux is a creation of the monks of Cîteaux in the 12th century. The vineyard's soils are quite homogeneous, of a clay limestone nature, close to the upper part of Clos Vougeot, at about 250 metres of altitude. The Grands Echézeaux combines strength, distinction, and longevity.
