Description

Situated just south of Volnay and Pommard in the Côte de Beaune, Meursault is the most extensive southerly white wine commune of the Côte-d'Or. Surprisingly for an appellation of this quality, no Grand Cru exists, however the high quality of the 1er Cru more than compensates for this. An exclusive of Maison Louis Latour (monopole), the vineyards constituting the estate of the Château de Blagny are located high on the hillside overlooking Meursault and Puligny-Montrachet. Château de Blagny is the most important domaine in the commune.

Wine tasting

- TASTING NOTE In the glass this wine has bright, pale gold reflections tinted with green. On the nose it has a keen intensity of aromas with subtle, vegetal undertones. On the palate it has notable acidity balanced with a full, round structure that permits tantalising glimpses of honey and minerals. It will keep very well. Tasted 22/01/03.
- CELLARING POTENTIAL 6-8 years
- FOOD PAIRING Rock lobster - salmon with sorrel sauce - pan-fried chanterelles - cheese.
- SERVING TEMPERATURE 12-14°
