Description

Situated just south of Volnay and Pommard in the Côte de Beaune, Meursault is the most extensive southerly white wine commune of the Côte-d'Or. The perfect south-easterly exposure and the stony, marl soil contribute greatly to the remarkable finesse of which the wines of Meursault are capable. Typical Meursault tend to be very full, mellow wines and mature somewhat sooner than the wines from the neighbouring communes of Puligny and Chassagne.

Wine tasting

- FOOD PAIRING Prawn cocktail avocado - grilled sea bass - stew of veal in a cream sauce - Beaufort cheese.
