Vosne-Romanée, famous the world over for its Grand Crus, also produces some Premier Crus capable of competing with the best. The Premier Cru vineyard of "Les Suchots" is recognised as being the prime candidate for any potential elevation in the appellation of Vosne-Romanée to Grand Cru status. It is located just to the north of the greats, such as "Romanée Saint-Vivant" and "La Romanée Conti". The soil is very similar and there is much in common between the wines.
